Sign Pricing

Below is a price list of a few typical signs we offer that are often requested by business owners.

Full Color Banners **3.40/sq ft.**

Full Color Digital Printed Signs on Poly Metal **9.80/sq ft.**

These signs are printed on High Performance Vinyl, Laminated for UV resistance and mounted on Poly Metal. This sign is a stronger alternative to typical Alum signs that easily bend. Great for mounting to any surface.

Two-Color Poly Metal **6.90/sq ft.**

These signs are constructed from cut High Performance Vinyl and mounted on Poly Metal.

Full Color Acrylic Lighted Sign Blanks **12.50/sq ft.**

These signs are printed on High Performance Translucent Vinyl, Laminated for UV resistance and mounted on Acrylic.

The price above is the cost to replace your existing lighted sign blank with a new full color sign blank.

Design

For any job that totals over \$300.00, we will offer one hour of design time included in the price.

The design rate per hour for any graphic design work not included will be \$20.00 per hour.

Let us design the Logo you've always wanted!!

Installation

All prices above are sign prices only.

We offer reasonable prices on installing any sign we build for you at no more \$40.00 per hour depending on your application. Each job is different.

Listed above is pricing on just a few of the types of signs we sell.

We offer a wide variety of services from truck lettering, wraps, magnetics, interior and exterior signs.

Call us for any of your signage needs. We will be glad to meet with you to discuss pricing at your convenience.

We offer quality work and service at a reasonable price.
